Affordable Housing

Due to the limited space we need build higher and GREEN!
We cannot use the lack of space as a cop out to avoid addressing the housing needs.

Development

1. More open parks.
2. Community involved in neighborhood development is an absolute right in my mindset.
3. Building in a green manner to preserve for future generations.

Environment and Energy

1. "Greening" ALL city buildings.
2. Implementing city ordinances capping the amount of emissions that are allowed to be exhausted within the city limits.
3. Creating citywide bicycle pathways allowing us to become a fully bicycle friendly city.

Youth Violence

Curfews during crime spikes, but most of all PREVENTION through thoughtful and meaningful mentoring and support.

EDUCATION and COMPASSION, my leadership!

Accountability, Transparency

1. All access review by a resident council.
2. ALL ACCESS at anytime for the press.

Education

MBTA... we ALL win!

We have fractured the trust and integrity of the BPS with Charter Schools. Either BPS becomes a compilation of satellite Charter Schools or none at all.

Additional funding and trust from the parents that we can do much better.

Human Services

More outreach workers, modern job skill training, and addiction conversion programs.

Transportation

More foot traffic, and streamlining and creating a razor efficient system by cutting out ALL waste.

Jobs and Labor

Have the city subsidize jobs by lottery based on education and skill set.

Race and Diversity

What are some creative policies other than affirmative action that the city could implement that would support and retain diversity within its workforce? A: Lottery based on qualifications.

Budget Policy

One answer, universities with Multi-billion dollar endowments need to pay their fair share. Then there is no budget deficit.
